MEMORANDUM FOR THE RECORD

SUBJECT: [REDACTED] 25X1A

25X1A 1. On 21 January 1963 the DD/R informed me that he had ascertained that a letter was received in the CIA Watch Office from [REDACTED] addressed to the DCI. Dr. Scoville pointed out that [REDACTED] had authorized the Watch Office to open the letter and make a thermofax copy of it, and a possibility exists that someone in the Watch Office may have had access to Project [REDACTED] information.

25X1A 2. On 22 January 1963 I checked this matter out with [REDACTED] and he informed me that the letter was received and he directed [REDACTED] to open it, make a copy of it and deliver the original to the DCI at the airport. [REDACTED] stated that only [REDACTED] had access to the letter and although [REDACTED] wasn't mentioned by name, the letter did, in fact, refer to the Project. 25X1A [REDACTED] obtained the thermofaxed copy of the letter.

3. A check of our indices discloses that the Subject is cleared for I, O, C & A. No further action is required.
